

**APPLICATION PROCEDURES FOR APPROVAL OF
PROVIDERS, ACTIVITIES, AND INSTRUCTORS OF
NEBRASKA REAL ESTATE CONTINUING EDUCATION ACTIVITIES**

Persons or institutions seeking approval to offer continuing education activities should read the following before filling out the various application forms so as to familiarize themselves with the procedures involved with submitting an application(s) pursuant to Sections 81-885.49 through 81-885.54 of the Nebraska Real Estate License Act and Title 299, Chapter 7 of the Rules and Regulations of the Nebraska Real Estate Commission.

THE AMERICANS WITH DISABILITIES ACT (ADA)

Real Estate Educators have responsibilities under the ADA. Any private entity that offers courses (activities) or examinations related to licensing for professional or trade purposes must offer such courses (activities) or examinations in a place and manner accessible to all persons, or offer alternative but equal arrangements. This may include the provision of auxiliary aids and services for persons with disabilities. For more information please contact your Equal Employment Opportunity Commission.

GENERAL APPROVAL REQUIREMENTS

Each application for continuing education approval consists of all of the following, 1-6, and must be received in the Commission Office at least 30 days in advance of the program being offered for credit.

1) Submit the **Activity Sponsor Application (CE-1)** and Activity Application (CE-2) including all required attachments at least thirty days in advance of the initial offering.

2) Part of the **Activity Application (CE-2)** is an outline of the subject matter to be covered in the continuing education activity, including a time allotment schedule which includes a breakdown of in-class time and break time. (See Example provided) Note: No continuing education activity can be less than a total of three clock hours and no more than eight clock hours of instruction may be offered in any one day. Activities are approved in three-hour increments based on a fifty-minute hour.

Learning objectives must be incorporated into continuing education activity outlines. These should reflect the goals your activity has been developed to meet. Time allotments should also reflect these goals and objectives.

Also requested is a reference to major resource materials upon which the activity relies. If these cannot be simply denoted, please include copies of these resources at time of application.

Each activity outline must also include a rating of the activity as it relates to a "degree of difficulty" as applied to salespersons and brokers. Each activity should be rated: "Basic", "Intermediate", or "Advanced" based upon the following definitions.

Basic: These activities will be edifying for all licensees, regardless of their level of experience. Because, rather than review, emphasis is on mastery and topic updates.

Intermediate: These activities build beyond the basic by introducing new material. Topics are specific and the curriculum is detailed.

Advanced: These activities are specialized and challenging. They go beyond the introduction of new material at an intermediate level. At this level, mastery and proficiency are the targeted outcomes.

3) Submit **individual instructor approval applications (See Form CE-3)** for all known instructors that will be used in the activity(s) to be offered with the completed Form CE-1 and Form CE-2 **OR**, in the case of institutions which offer continuing education activities on a national scope and who have established minimum criteria for their instructors, include the criteria and a certification that these criteria are strictly adhered to in the selection and use of instructors. **(See Form CE-4)**

4) Submit a copy of the **proposed continuing education activity completion certificate (See Example CE-5)**, which can be no larger than 8 ½ inches by 11 inches and provides for the following information:

- a) The name, identification number and license type of the licensee.
- b) The title of the continuing education activity including its Nebraska Real Estate Commission assigned 4-digit activity approval/content number.
- c) The date(s) on which the activity was offered.
- d) The name of the Provider.
- e) A statement that the licensee was in attendance for an amount of time, specified.
- f) A statement indicating satisfactory completion of the examination must appear on the certificates of courses indicating non-optional examinations as a part of the activity outline.
- g) The fact that the program is approved by the Nebraska Real Estate Commission must be clearly stated.
- h) All information on activity completion certificates must be printed in ink and filled out completely prior to distributing to students.**

5) **A schedule of the initial and any or all subsequent offerings** of the continuing education activity that have been scheduled at time of application shall be included with the Course Application. If a schedule has not been established by the time of application then the Provider must submit to the Commission office a schedule in advance of the scheduled date of the offering. Information to be included: Provider Name; Title of Activity and Activity Content Number; Date(s) of Offering; Beginning and Ending Times,

including Time Zone and A.M. or P.M.; location where Offering; and the Instructor's Name. (See Example CE-6)

6) All providers must have a system of evaluation by students in which the activity and instructor is evaluated at the end of each offering. The evaluation form must accompany the application. Completed evaluation forms on each activity/instructor must be kept on file four years from the end of the offering and may be requested at any time by the Commission.

REQUIRED CONTINUING EDUCATION

Six (6) continuing education hours out of the twelve required every two years must be in designated subject matter. (This was increased from 3 hours effective for the 2011-2012 continuing education period.) The Commission will determine which subject matter will meet this requirement and will recognize appropriate activities by adding an "R" to the four-digit activity content number which is assigned to each activity approved. Current designated subject matter are:

- The NE Real Estate License Act (a study in part, or whole)
- The NE Real Estate Trust Acct. Manual (a study in part, or whole)
- The NE Landlord/Tenant Act
- Fair Housing/ADA
- Ethical Decision-Making/Studies of Codes of Ethics
- Agency Relationships (must not conflict with NE statute and regs)
- Preparing a Broker Price Opinion (BPO) or Certified Market Analysis (CMA)
- Environmental Concerns
- Contracts
- Real Estate Settlement Procedures Act (RESPA)
- Finance

4-DIGIT ACTIVITY CONTENT NUMBER

Licensees are prohibited from receiving credit for duplicating activities or course content within four years. Required activities (R-courses) are an exception to this, these may be duplicated in each subsequent 12-hour requirement. In order to assist licensees in identifying potential duplication concerns a 4-digit course content number is assigned to each activity upon approval. This number must appear in references to the approved activity i.e. marketing, scheduling, completion certificates, etc.

TERM OF APPROVAL

Initial Approval is valid for a three year period and at the end of that time a provider may apply for renewal of approval for another three years.

SIGNIFICANT CHANGES TO APPROVED ACTIVITY

Should significant changes take place in the subject matter of the continuing education activity during the three year period of approval then the activity must be submitted to the Commission office for review and approval in advance of offering the altered activity. (See Form CE-7)

POST APPROVAL REQUIREMENTS

After initial approval of a continuing education activity the provider needs to supply to the Real Estate Commission or maintain records of the following:

1) Scheduling information regarding the approved activity which shall include: Provider name, Title of the activity including activity content number, the instructor, the date and specific location of the activity and the beginning and ending time including AM or PM must be submitted to the Commission office in advance of the offering date. (See Example CE-6)

2) Records shall be established and maintained by each provider on each individual student for four years. (See Example CE-8) Specifically included in the records must be the:

- a) Name and identification number of the licensee.
- b) Address of the licensee at the time the activity(ies) was completed.
- c) The title of the activity(ies) completed with its activity content number.
- d) The date(s) the activity was offered.
- e) The number of hours the licensee attended each separate activity.

3) Within 10 days after the conclusion of an approved activity the provider must electronically submit to the Commission office a listing of the attendees, in alphabetical order by last name. Tools will be provided to successfully submit continuing education verification lists electronically. The following will be received by email upon approval of a program.

- 1. The Instructions and the Required List Format information.
- 2. The "Read Only" Excel Spreadsheet template specific to each Provider.
- 3. Step-by-Step Instructional Video.

Data collected on the spreadsheet must include the licensees' License I.D. number, Last and First names, Provider name, date the activity was completed, activity content number and number of hours of credit.

LICENSEES RELY UPON THESE UPLOADS TO RECEIVE CREDIT FOR THEIR ATTENDANCE AT PROGRAMS. ACCURACY ON THE SPREADSHEET IS CRITICAL! If information on this spreadsheet is not accurate it will result in licensees not receiving credit for their attendance in your programs. Under no circumstance should a report be received in the Commission office beyond 10 days of the program. Chronic failure to submit timely and accurate reports will result in a Show Cause Hearing before the Commission as to why approval as an education Provider should not be rescinded.

I.D. numbers: Every time a license is issued i.e. upon initial issuance and annually upon license renewal, a Receipt Card will be provided to a Nebraska licensee. The licensee's I.D. number appears on

this card. Although the license number will remain the same as long as the license is renewed, it is recommended that licensees and on-site Proctors be advised to refer to this card and verify the number when registering students.

Rosters, which include I.D. numbers, may be purchased from the Commission upon the execution of a Privacy Agreement with the Commission. Please contact the Commission for further information.

If instructors are changed after initial approval of the activity then the new instructor must be submitted to the Commission prior to the first time that instructor teaches so that compliance with the qualification standards can be determined. Use Form CE-3.

RENEWAL OF APPROVAL

Providers of continuing education activities will need to renew the approval of continuing education activities which they wish to continue offering every three years.

A renewal packet will be mailed to each provider in January regarding the activity(s) due for renewal sometime that year. (See Form CE-10) This packet will request pertinent information regarding the activity(s) due for renewal. This renewal application will then be reviewed and action will be taken by the Commission.

Statutory References to Continuing Education

81-885.49. Continuing education and training; purpose.

The purpose of sections [81-885.49](#) to [81-885.54](#) is to establish requirements for continuing education and training of real estate brokers and salespersons who are licensed in order to maintain and improve the quality of real estate services provided to the public.

81-885.50. Continuing education and training; terms, defined.

As used in sections [81-885.49](#) to [81-885.54](#), unless the context otherwise requires:

- (1) Commission shall mean the State Real Estate Commission;
- (2) Licensee shall mean a natural person who is licensed by the commission as a real estate broker or salesperson; and
- (3) Two-year period shall mean twenty-four months commencing on January 1 following either the date of licensing of the real estate broker or salesperson or March 8, 1985, whichever is later, and each succeeding twenty-four-month period.

81-885.51. Continuing education and training; evidence of completion.

In each two-year period, every licensee shall complete twelve hours of approved continuing education activities and six hours of broker-approved training. Evidence of completion of such continuing education and training activities for the two-year period shall be submitted to the commission pursuant to rules and regulations adopted and promulgated by the commission.

81-885.52. Continuing education and training; certify activities.

(1) The commission shall certify as approved continuing education activities those courses, lectures, seminars, or other instructional programs which it determines would protect the public by improving the competency of licensees. The commission may require descriptive information about any continuing education or training activity and refuse approval of any continuing education or training activity which does not advance the purposes of sections [81-885.49](#) to [81-885.54](#). The commission shall not approve any provider of continuing education or training courses, lectures, seminars, or other instructional programs unless such provider meets the standards established by the commission.

(2) The commission shall certify the number of hours to be awarded for participation in an approved continuing education activity, based upon contact or classroom hours or other criteria prescribed by rule and regulation of the commission.

(3) The commission may certify the number of hours to be awarded for successful completion of a course delivered in a distance education format, based upon the number of hours which would be awarded in an equivalent classroom course or program or other criteria prescribed by rule and regulation of the commission.

81-885.53. Continuing education and training; licensee; requirements.

Except for inactive licensees, the commission shall not renew a license or issue a new license to any licensee who has failed to comply with the requirements of sections [81-885.49](#) to [81-885.54](#). Inactive licensees may renew their licenses at the end of the two-year period without having completed the hours of continuing education and training activities required by section [81-885.51](#) for each two-year period. Inactive licensees shall not be activated until the licensee has satisfactorily completed the total number of deficient hours of continuing education activities and filed evidence of such completion with the commission, except that no inactive licensee shall be required to make up more than the number of hours of continuing education required by section [81-885.51](#) for a two-year period.

81-885.54. Continuing education and training; rules and regulations.

The commission shall adopt and promulgate rules and regulations necessary for the effective administration of sections [81-885.49](#) to [81-885.54](#) pursuant to the Administrative Procedure Act. Such rules and regulations may include, but not be limited to, the establishment of minimum standards for schools, courses, and instructors.

Title 299 - NEBRASKA REAL ESTATE COMMISSION

Chapter 7 - CONTINUING EDUCATION ACTIVITIES; REQUIRED HOURS; APPROVAL; RESTRICTIONS; DENIAL; REVOCATION; APPEAL PROCESS; RECORD KEEPING.

001 Of the twelve hours of continuing education required in Section 81-885.51 of the Nebraska Real Estate License Act, six hours in each two-year period shall be taken in continuing education activities which are derived from material covering ethical decision-making or federal or state laws, rules, or regulations dealing with or pertaining to real estate or real estate transactions, and which are approved and designated by the Commission as meeting this six-hour requirement.

001.01 Continuing education activities approved under this Section are not subject to the duplication provision as set forth in Section 003.07 of this Chapter, except that continuing education activities approved under this Section and which are of the same content, or if in the opinion of the Commission so similar as to be indistinguishable in content, cannot be duplicated within the same two-year continuing education period.

002 The six hours of training required in Section 81-885.51 of the Nebraska Real Estate License Act may be fulfilled by satisfactorily completing training activities approved by the licensee's designated broker and recognized by the Commission **OR** by satisfactorily completing Commission approved continuing education activities **OR** by some combination of both. Training activity shall be required to be met and submitted as provided in the License Act and these regulations beginning in calendar year 2012.

003 Qualifications for approval of continuing education activities shall be as stated herein.

003.01 A continuing education activity offered in the State of Nebraska shall be qualified for approval if the Real Estate Commission determines that:

003.01A The continuing education activity contributes to the maintenance and improvement of the quality of real estate services provided by real estate licensees to the public; and

003.01B An in-class continuing education activity must consist of at least three in-class clock hours but no more than eight in-class clock hours in any one day of instruction. In the case of a continuing education activity delivered in a distance education format there must be at least the content equivalent of three in-class clock hours, and certification pursuant to 299 NAC 7-002.02. An in-class clock hour is defined as ~~60~~65 minutes in length; and

A student must complete the distance education activity within one year of the date of enrollment. Distance education as it is used in this chapter shall mean courses in which instruction does not take place in a traditional classroom setting but rather through other media where instructor and student are separated by distance and sometimes by time.

003.03 Courses taken by salesperson licensees toward meeting the broker pre-license requirements, with the exception of Real Estate Principles and Practices or its equivalent courses, may be used toward meeting the continuing education requirement and also as meeting the pre-license broker requirement.

003.04 In addition to continuing education activities directly approved by the Real Estate Commission, the Commission shall accept:

003.04A Continuing education activities approved to meet the continuing education requirements for renewal of a salesperson or broker license in another real estate jurisdiction and taken outside the State

of Nebraska.

003.04B Instruction by instructors of approved continuing education activities toward meeting the continuing education requirement. The same restrictions of usage as set forth in Title 299, Chapter 7, Section 003 will apply.

003.04C Reviews of continuing education activities that are provided in a distance education format and have been submitted for approval as provided in this Chapter when the appointed reviewer, who must meet the same qualification standards established for continuing education instructors, successfully completes the activity and provides a report prescribed by the Commission.

003.04D The Commission shall have no obligation to accept a continuing education activity otherwise considered acceptable under this subsection if the activity has been identified by the Commission as unacceptable according to Nebraska continuing education criteria.

003.04E Written affirmation from non-resident licensees that they have met the current continuing education requirement in their state of residence.
