STATEMENT OF RECORD
RETIREMENT SUBDIVISION OR COMMUNITY

The undersigned applicant hereby submits this Statement of Record for the purpose of registering a Retirement Subdivision or Community with the State Real Estate Commission.

SECTION I

Attach the following documents:

1. Plat showing the subdivision or community as it now exists or is proposed with the dimensions of the lots and the relation of such lands to existing streets, roads and other improvements and the legal description of the subdivision or community.

2. A copy of an attorney's opinion or title policy showing the condition of the title to the subdivision or community lands, including encumbrances, current to within 30 days of the date of this Statement.

3. A copy of the instruments by which the interest in the subdivision or community lands was acquired.

4. A copy of any instruments creating liens or encumbrances showing the date said instruments were recorded.

5. A copy of the Public-offering Statement.

6. The current audited financial statements of the developer and, if different, the association, must be submitted as a part of this report. In the case of proposed new construction, prospective financial statements compiled by a Certified Public Accountant shall be furnished; except in the case of an initial registration or an amendment expanding the project, the prospective financial statements must be examined, rather than compiled, by a Certified Public Accountant pursuant to generally accepted accounting principles for a forecast, unless (a) all payments by purchasers are held in escrow at a state or federally regulated financial institution located within this state until closing of the disposition, (b) all public improvements serving the units or lots are completed prior to disposition, and (c) the interests in a unit or lot of a purchaser who is not in default on the contract for disposition will upon disposition be free of or not subject to disturbance by any encumbrances incurred by the developer or association for purchase or improvement of the retirement subdivision or community.

7. A copy of the instrument used or to be used to convey an interest in the subdivision or community to prospective purchasers or lessees.

8. A copy of the blueprints of the buildings or proposed buildings showing the floor plan of the buildings and the individual units therein.

9. Copies of all promotional advertising used or proposed in promoting the sale or lease of any unit or interest in the subdivision or community.

If applicant is a nonprofit corporation, copies of the articles of incorporation and bylaws.

If the subdivision or community offers a promise to provide future nursing or other health-related services to purchasers pursuant to contracts effective for the purchaser's life or contracts for a period of over one year, that include payment of an entrance or similar fee, then an actuarial forecast, which identifies the qualifications of the preparing actuary or actuaries, shall be submitted. The actuarial forecast shall be prepared in accordance with generally accepted actuarial principles and practices, including a statement of actuarial opinion, a pricing analysis, a cash-flow projection and a statement of applicable actuarial methodology, formulas and assumptions.
